

Maple Stream Road Preschool is proud to offer a

SPECIAL NEEDS CLASS

Maple Stream Road Preschool, a NAEYC accredited school has enjoyed a reputation as being a leader in Early Childhood Education in the community for the past 15 years.

In an effort to serve the needs of our community and reach out to parents who wish to mainstream their special needs children, we are excited to announce that we will be offering a special class for the 2008-2009 school year.

We will be offering:

- Small class size – a minimum of 6 children will be needed to start the program, but we will only accept a maximum of 8 children.
- A licensed Special Education Teacher and aide will be in the classroom!
- Appropriate lesson plans geared to each individual child.
- Children will participate in all Preschool “specials” such as music, gym, Computertots, etc.
- Mainstream program for your special needs child.*
- Special price information for this program available upon request.

It is due to our reputation in the area, our NAEYC accreditation and our wonderful educators that we are able to pioneer this new program for your child!

Do not miss out on this exciting new opportunity!
