

A message to all congregants from the Beth El Men's Club

Greetings, and Shanah Tovah!

Welcome back to another great year for Beth El and the Men's Club. This year, we have a full slate of new events and old favorites. In the fall, we start with our kickoff breakfast, Sunday, September 8. Sukkah building for the shul and Rabbi's house will take place in two parts, Sundays, September 29 and October 6 (rain date October 13). We will also be hosting Sippin' in the Sukkah with Havdalah, Saturday night, October 19. Finally, we will gather to disassemble the Sukkah on Sunday, October 27.

We have several social events planned this year, beginning with a brand new Chanukah event, Latkes and Vodkas, Sunday, December 22. On February 2, we have our annual double-header with World-Wide Wrap in the morning and the Super Bowl Party in the evening, featuring the culinary stylings of our award-winning Essen and Fressen cooking team. Deli Night returns Sunday, June 7.

Also on the docket for this year: Men's Club Shabbat, cooking for the religious school Chanukah party and Purim carnival, our Hearing Men's Voices discussion series, Yom HaShoah yellow candle distribution, Passover wine sale, and much more. Please refer to the Men's Club calendar for details.

On the back of this page, please find the Men's Club calendar and sign-up sheet. To join, simply fill out your name, email address, and phone number. Use the check boxes to indicate your membership type and interests. **Non-members may also use this form to indicate events or areas of interest.** You may also scan the attached QR code to link to the Men's Club calendar.

Men's Club annual dues are only \$36, so *please return your completed application today* with a check for \$36 payable to "Beth El Men's Club" to the Synagogue Office; dues are waived for the first year of your synagogue membership, and half-price memberships are available for young members (18-25 years old). Please contact me with any questions concerning the Men's Club. We look forward to seeing you in the fall!
